V.S.B College of Engineering Technical Campus
Coimbatore

Dear Mam/Sir

I am writing to express my strong interest in this position. As a passionate and driven engineering student, I am excited about the opportunity to contribute to your innovative projects and gain valuable hands-on experience in the industry. With my strong academic background and dedication to excellence, I believe I am an ideal fit for this role.

Throughout my academic journey, I developed a solid foundation in engineering principles and gained hands-on experience through various internships. My expertise spans machine learning, deep learning, and NLP, complemented by hands-on experience in web development and skilled in Python, Java, JavaScript, and SQL. Proficient in frameworks like React, Node.js, and TensorFlow, I have developed AI-driven applications including multi-vendor E-Commerce website. My internship in AI and full-stack development further honed my problem-solving skills.

I am confident that my strong analytical skills, attention to detail, and passion for innovation make me an ideal candidate for this position. I am eager to contribute my expertise to your team and drive meaningful change in the industry.

In closing, I would like to reiterate my enthusiasm for the position. I would welcome the opportunity to further discuss how my qualifications align with the company's goals and contribute to its continued success. Thank you for considering my application.

Sincerely,
Kasthuri
